

Calne Without Parish Council

12th April 2021

Agenda Item 9.2

Grit Bins

The Council approved consideration of the purchase of grit bins for 2 locations, Studley Gardens and Stockley.

The Clerk has the following information for Councillors to consider:

Integrity Enterprises

We supply green lidded Salt bins to meet the Highway Teams' requirement to differentiate their stock of Salt Bins from those owned and maintained by Parish Councils

Bins are priced at £145.00 for the 200l bin and £185.00 for the 400l bin, prices are ex vat, fully installed and full of salt.

The price includes the process that we need to undertake, which starts with a site visit to ensure that your chosen location meets the requirements for Highways Team, not impeding Services or the Pavement for pedestrian traffic, and that it is not in a dangerous position for users, (not opposite a junction or on the outside of a bend etc).

If it satisfies the criteria, we contact the Local Highways Engineer for permission to place the bin on the Highway. Usually, if there are any issues we can identify somewhere close by which will satisfy the requirements.

Once those permissions are gained, the green top bin will be placed out, and the initial fill of brown salt is included in the price.

I have attached a picture of the two bins, for your info - the current scheme of Parish bins is using green lidded bins.

The bins are supplied with a hasp, which unlike the public access Highway Bins enables you lock it out out season to prevent misuse / it becoming a litter bin

Glasdon

Slimline Grit Bin. £148.19 ex VAT 160ltrs

Nestor 400 Grit Bin £188.17ex VAT 400ltrs

The Council would also require to purchase salt.

SETON

115 litre Grit Bin £104.99 ex VAT

400 Litre Grit Bin Lockable £249.99 ex VAT

The Council would also require to purchase salt.

Conclusion

The service and process offered by Integrity Enterprises would appear to offer the Council the best option, they are a local company used by many Parishes and have a good relationship with Wiltshire Council.

Recommendation:

That the Council approve the cost of purchase of 2x 400 litre green lidded, lockable grit bins to be provided and filled by Integrity Enterprises as detailed in the report. Cost 2x £185.00 ex VAT.
