4 Minutes

Proposed: Cllr Jones Seconded: Cllr French

Agreed unanimously: That the Committee approve the Minutes of the meeting held on 27th January 2021 as a true and fair reflection of the motions agreed by the Committee and the discussions that took place and that these be signed by the Chairman as such.

5 End of Year Accounts and Reserves

Councillors supported the Clerks request to continue to publish the information required under the Smaller Authorities Transparency Guidance despite the Council no longer needing to do so. The list of payments of £100 or over has also had the budget headings added and the relationship of those payments to the Receipts and Payments explained to assist understanding by members of the public and new Councillors.

The level of the reserves and under which headings they are held was discussed in relation to grants made for laptops which the Council approved to come from Precept and Sun Edison. Councillors suggested an amendment to the allocation of costs to take the grant to Derry Hill School from Sun Edison and the Kingsbury Green Academy and Cherhill Primary grants from precept. This would leave the General Reserve at £21893.79. The approved End of Year documentation is attached to these minutes.

Proposed: Cllr Malpas Seconded: Cllr Baker

Agreed Unanimously: That the Committee approved the End of year documentation with the alteration to Sun Edison and General Reserve as shown in the attached document for submission to the auditor.

6 Website training and support

Councillors agreed that the proposal to put in place support for the operation of the website and training the new Clerk was within budget and a sensible course of action.

Proposed: Cllr Kronig Seconded: Cllr French Agreed unanimously:

- 1. That the Committee approve the cost of 2 hours training on the Council Website operation with Clearwater at a cost of £100 plus VAT for the new Clerk.
- 2. That the Committee approves a contract for ongoing website support with Clearwater on the basis of half an hour per month for a 12-month period starting April 2021 at a cost of £50 per hour. That this be reviewed by the Council after 6 months.

7 Insurance for 2021/22 renewal due on 1st June 2021

The Clerk explained that the insurers had not raised the level of cover for the street furniture to cover all the new bins as the Council's excess was greater than the cost of a replacement bin. The Council long term agreement runs until 2022. Cllrs had no changes to request to the insurance required. Cllr Cook to make enquires of a local long-term resident about the water supply to the Well House.

8 Projects

Cllr discussed the list of projects supplied and confirmed that it covered all the Council's current business. Cllrs discussed the passing of information from outgoing Cllrs to new Cllrs and agreed that contact would be helpful.

Cllrs discussed the need for projects to be progressed and completed and for projects to be identified and brought forward for the CIL Funds.

Proposed: Cllr Malpas Seconded: Cllr Baker Agreed unanimously:

> That the new Council should attach priority to the completion of projects with funding approved and further priority should be given to the identification and delivery of projects to utilise the Council's Community Infrastructure Levy Funds within the prescribed time period.

(£2,112.48 to be spent by April 2023, £119,540.10 to be spent by April 2024, 5yrs from receipt)

2. That, unless otherwise advised, outgoing Councillors are happy to be contacted to a reasonable degree about projects that they have taken a lead on.

(The list of projects and lead Cllrs is attached to the Minutes)

Meeting ended at 8.15pm

Calne Without Parish Council Finance Committee 7th April 2021

End of Year Accounts and Reserves

The following are the documents to be sent to the internal auditor and placed on the Council's website. Please note that as the Council has an income of above £25,000 the Transparency code for Smaller Councils does not require the Council to post this level of information, oddly the need to publish for Council with income/expenditure between £25,000 and £200,000 is removed, however in the interests of transparency the Finance Committee has agreed that the Clerk continues to publish.
