

STUDLEY METHODIST CHURCH

Minister: Rev David Gray

From Secretary
[REDACTED]

31 January 2022

To The Parish Clerk
Calne Without Parish Council

Dear Mrs Checchia

FUNDING REQUEST FOR IMPROVEMENTS
TO HEATING AND LIGHTING
AT STUDLEY METHODIST CHURCH AND HALL

I am writing on behalf of Studley Methodist Church to request funding towards upgrading the Church and Hall's present heating and lighting.

You may recall that it is now nearly five years ago that the Calne Without Parish Council kindly approved funding towards the installation of a disabled toilet and the upgrade of the kitchen and bathroom facilities. I am delighted to say that since that time the Hall and its improved facilities have been enjoyed by the Studley and Derry Hill community. There have been childrens' concerts, defibrillator training sessions, coffee mornings, harvest suppers, afternoon teas, quiz evenings, craft sessions in addition to Church activities.

Now that we are learning to live with the Covid pandemic we feel now is the right time to improve the heating and lighting to the premises and to welcome back the community once more. A quotation for the improvements is enclosed to give you an indication of the works to be carried out.

We would very much like you to give this request your due consideration and we look forward to hearing from you in due course.

Yours sincerely
[REDACTED]

Secretary
