Issue Details

Location of Issue:	Abberd Lane /Spitfire Road , Abberd , Calne SN11 8TE
Community Area:	Calne
Parish or Town Council:	Calne
Nature of Issue: We live in a detached house in Abberd Lane / Spitfire road in Abberd , Calne. The road is in national speed limit which leads to couple of factories. With lots of HGV traffic at high speed , the house has been having severe vibrations . We have also noticed new cracks in the first floor walls. Because of the vibrations caused by the HGV traffic , my wife who works from home , has been finding it very difficult to work . And also disturbs my 5 and 2 year old's early morning sleep because of the HGV traffic early in the morning. This issue has been affecting the physical and mental well being of our family. And also it would cause significant structural damage to our house soon	
How long has it been an issue?	Since Moving in Oct 2021
What would you like done to resolve this issue? We believe if there was significant reduction in speed limit to the road where we reside , the vibrations caused by HGV traffic would significantly reduce	
Have you been in touch with your local Wiltshire Councillor? (Yes/No)	No
