Dear Kate,

Application for Small Grant Funding

Please see attached and herein details of an application for small grant funding, replicating that issued in early 2023 for funding to keep our community website – The Hub – running for a further year.

Renewal of the website and its domain name is due in January for the next 12 months and the total costs are £223.70.

Incredibly, The Hub reached a significant landmark on 2nd November when it registered its 20,000th visitor, what an amazing achievement for something that didn't exist until 27th January 2023.

The Hub is rapidly becoming the go-to location to find out what is going on in the community and link with all of our community groups and organisation such as the Parish Council.

GoDaddy, a web-site domain name provider, have The Hub at a score of 97 – which puts the site as one of the best performing small business websites.

The website is visited by people near and far, indeed we have had visitors from as far afield as Australia reach out to us via the contact forms to instigate communication with their old community.

Thank you for your consideration of this request.

Yours sincerely

Peter Prater

Christmas Advent Window Trail

Advent windows work just like an advent calendar. This year we are planning an Advent trail around the village - 24 windows illuminated around the village. You will be able to pick up a map and tour the village to see the lights (think scarecrow trail). Let's make this the year we truly light up Derry Hill and Studley and celebrate our lovely village together. We are looking for volunteers to dress one of their windows in a Christmas theme.
