

Defibrillators save lives!

Would you like a defibrillator in Sandy Lane?

The parish council intends to purchase one for you if there is local support for it. A site for the cabinet must be available and a small group of local volunteers must be prepared to perform simple regular checks on the defibrillator.

If you support buying a defibrillator for Sandy Lane, please let us know. Also let us know if you are willing to volunteer to perform regular check on it.

If there is no local support a defibrillator will not be provided.
