

Aylen Way Replacement Signs

1. Background

The footpath known as Aylen Way links runs alongside Derry Hill Primary School, linking the car park of the Lansdowne Hall with Church Road:

The Aylen Way signage is either missing or is in extremely poor condition, which has been raised by members of the public:

2. Proposal

It is proposed to procure and install two 300 x 100 x 1.5mm thick replacement aluminium signs:

3. Estimated Cost

Cost is estimated at:

| Material | Cost (excl. VAT) | Cost (incl. VAT) | Supplier & Comments |
|--|------------------|------------------|---|
| Supply of two customised aluminium signs, including delivery | £57.70 | £69.24 | Signomatic https://www.signomatic.co.uk/signs/aluminium-signs/ |
| Total | £57.70 | £69.24 | |

4. Recommendation

It is recommended that the Council authorises a budget of £60 (excl VAT) to procure two replacement "Aylen Way" signs.
